President's Message June 2011

I am very pleased to announce that at the May meeting of the chapter board of directors **Lisa McLaughlin** was appointed to the position of Vice President of Membership for the remainder of the chapter year.

Our Annual Meeting will take place on June 7th and the following individuals have indicated they intend to stand as candidates for the board:

Name	Position
Bruce Brechin	President
Don Gardner	VP Administration
John Blevins	VP Finance
Lisa McLaughlin	VP Membership
Sheryl Holbrook	VP Programs

The following board positions also need to be filled:

- VP Education
- VP Publicity
- VP Student Liaison
- Executive Vice President

I would encourage anyone who might be interested in any board position to look at the website for the position descriptions (link below) and / or contact me with any questions (note that candidates for the position of Executive Vice President must have been board members for the current chapter year*).

* If there is an Executive Vice President for the current chapter year he / she automatically becomes Chapter President for the next year. As is the case this year there is no Executive VP and there will be an election for the position of President, candidates must have been Toledo chapter board members for the current chapter year.

Each year student chapters of APICS have the opportunity to submit an entry for the Student Chapter Management Award and I am pleased to announce that the BGSU chapter submitted their entry in early May and that following review I have recommended to APICS that the chapter receive the Gold Award.

As this is the 5th year in succession that BGSU have achieved the gold standard they will be recognized as a Platinum Chapter, the chapter boards (2 per year) and Karen Eboch (student chapter adviser) are to be congratulated for maintaining the high standard.

MAY REPORT

On Wednesday, May 25, we toured Toledo Gearmotor Company in Sylvania, Ohio. Toledo Gearmotor Company is a local manufacturer of right angle worm gear reducers, inline parallel shaft gear reducers, gear boxes and custom solutions. TGC has been providing quality products to the Agricultural, Door, and Commercial industries since 1948. Our thanks go to Mr. John Toth, owner of Toledo Gear, for taking time out of his busy schedule to give us a tour.

This was a lunchtime tour (12:30-1:30 pm), and was our first "Lunch 'n Learn" program. We plan to offer more "Lunch 'n Learn" events for those we find it difficult to make our evening functions.
