

Upcoming April Events

Every month APICS Toledo Chapter hosts a Supply Chain Event for members, guests and students. Events consist of Professional Development Meetings (PDM), Plant Tours, Social and Board Meetings. This is a great way to enhance your supply chain knowledge and earn certification maintenance points.

Plant Tour

Tour of Bay Corrugated

About Bay Corrugated

Bay Corrugated Container, Inc. is located in Monroe, MI. With over 450,000 square feet of manufacturing floor space, Bay is able to serve the Ohio, Michigan, Indiana and Chicago area.

Bay Corrugated was the first independent converter in the United States to purchase a BHS corrugator. This 98-inch BHS Corrugator is a multi-million dollar investment which provides the flexibility and capacity to exceed customer's expectations. It offers quick order changes, scheduling flexibility, and software that interface directly to the corporate database. It has some of the most advanced quality monitoring systems in the industry.

Light snack/sandwich will be provided
