

Commit to Your Career

Earn the APICS Certified in Production and Inventory Management (CPIM) and prove your knowledge of internal operations, and demonstrate value to colleagues and employers looking for a competitive edge in today's global economy.

The APICS Certified in Production and Inventory Management (CPIM) program is recognized worldwide as the standard in production and inventory control. Through the CPIM preparation and exam process, you will gain knowledge, learn skills and best practices required to execute and improve all of the internal operations within the four walls of your company.

Choose Expert Leadership and Guidance

Attending APICS Toledo Chapter's Certification Review Course is the most effective way to prepare to pass the CPIM Part 1 and Part 2 exams.

- **Learn from a certified instructor** who provides expertise, insights and one-on-one guidance.
- **Network**, share experiences, and discuss topics with a diverse group of operations professionals.
- **Stay on track** to earn your certification with a structured learning experience and support.
- **Take advantage** of funding options, such as corporate tuition reimbursement.
- **Class room discussions** and activities use the APICS CPIM Learning System
- **Delivers** comprehensive, flexible and streamlined CPIM exam preparation

Designed using a proven approach for teaching adult learners, this program helps you understand, apply and engage with CPIM-focused content.

- All-in-one, streamlined system to prepare for CPIM exams.
- Targeted learning tools and practice questions.
- Customized study plan to focus on topics that need review.
- Practical knowledge to benefit you and your employer immediately.

About the Course Instructor – Sheryl K Holbrook, CPIM, CSCP, C.P.M.

Prior to becoming an APICS instructor, Sheryl had over 25 years' experience in the manufacturing sector, and has a background in various positions within materials management, including production materials planning; inventory control; vendor relations; and purchasing. Sheryl began teaching APICS certification classes in 2012, and has been a CPIM lead instructor since 2014. Sheryl has taught various classes at Bowling Green State University, The University of Toledo, and Owens Community College, as well as numerous certification classes for the Toledo chapter of APICS. She has also provided in-house certification training for MOBIS Toledo, MOBIS Detroit, Johns-Manville in Defiance, and Magna's T.E.A.M. Systems in Toledo.
