President's Message

Congratulations to the APICS student chapters at Bowling Green State University and The University of Toledo for being honored with **APICS Student Chapter Management Awards**. BGSU's student chapter, **Supply Chain Management Association**, maintained their status as a Platinum Student Chapter, the highest level possible in APICS's Student Chapter Management Program. And, UT's student chapter, **UTAPICS**, attained Gold level for the second year in a row. Both chapters have proven their excellence in the various areas of student chapter management, and these are skills they will carry forward into the workplace!! Great job!!!

Welcome to some folks who have recently joined APICS Toledo Chapter: **Charlene Taylor-White**, **Clayton Frist**, **Monica Taylor**, **Karen Weis**, and **Joe Snyder**. We hope to see you soon at one of our upcoming chapter events. Clayton and Karen are also registered for upcoming certification review classes. Good luck with your certification efforts!

And, congratulations on some recent exam successes. First, congratulations to **Patrick Andriette**, who has passed the SMR exam, and is now **CPIM**-certified. Patrick is the Supply Chain Manager for GKN Driveline in Bowling Green, and is also VP Education for APICS Toledo chapter. Well done, Patrick! And, congratulations to **Kayleigh Wurzel**, **Ed Palmatier**, and **Courtney Adams**, who have all passed the Legacy BSCM exam, and are ready to move onto the **NEW CPIM Part 2**. Only one more exam to go for your CPIM certification. Way to go, Kayleigh, Ed, and Courtney!! Hope to see you October 19th!

Our chapter event this month is a plant tour of **Pinnacle Technology Group** on **Wednesday, October 11th**. Pinnacle Technology delivers comprehensive product life cycle support for electronic manufacturing. Their electronics design and manufacturing services result in products ranging from simple printed circuit board (PCB) assemblies to high-end electro-mechanical box builds. The tour is free, but you still must make a reservation, and the reservation deadline is Monday, October 9th. Contact programs@apicstoledo.org to reserve your spot!!

Education Report

APICS TOLEDO and CLTD!

If you are looking to advance your career with the fastest growing logistics certification, then the APICS CLTD program is right for you. At APICS Toledo, we are preparing to launch our first classes of the new **Certified in Logistics, Transportation, and Distribution (CLTD)** credential. This designation will help equip individuals with the essential knowledge needed to reduce costs, increase customer satisfaction, and achieve recognition as a logistics expert. At this time, we are tentatively targeting late January to establish the first class schedule. Please reach out to me if you are interested in joining this class as we launch the CLTD designation for APICS Toledo!

On www.apics.org you can also find a free demo of the APICS CLTD learning system.

As reported, we are moving into the new **CPIM** 2-part module system in APICS Toledo, if there are questions about the legacy CPIM program and exam credits, please reach out ASAP to education@apicstoledo.org to ensure alignment.

The link posted below provides a good overview about the new CPIM program.

BGSU Supply Chain Management Association

BGSU's Supply Chain Management Association has had a great start to the school year. Our recruitment efforts paid off and we were able to bring on **45 new SCMA members!** In other exciting news, we saw the largest attendance yet at the SCMI Dinner on 9/25 and are proud of our very own Tour Facilitator, **Philip Homa** for **winning 2nd place in the Internship Poster competition** for his internship at Walgreens this past summer!

SCMA Hosted a Major Match Up event on 9/20 enabling us to spread the word about supply chain management to all students in attendance. We held a professional development meeting for all new SCMA members last month as well. This meeting was focused on preparing for the job expo and sharing useful information on past internship/Co-op experiences.

We plan on encouraging the continuous growth and development of our members and community with several upcoming events:

- **Pinnacle Technology Group Plant Tour**
-October 11th, RSVP by the 9th
- **"Poppin' George" popcorn fundraiser**
-October 11 from 10:00am-3:00pm
- **"Adopt Highway" Community service highway clean up**
-October 14th at 10:00am
-I-75 Mile Marker 177-179
- **F-NOK Tour**
-October 20th from 9/9:30am – 2/3:00pm

Please do not hesitate to contact me if you are interested in participating in any of these events!

We look forward to supporting our community and promoting the professional development of our members as the semester continues.

The **BGSU SCMI/APICS Toledo dinner meeting** on September 25th was a big gathering of professionals and students. With over 50 professionals and nearly 250 students in attendance the dinner was our biggest one yet!

To encourage networking, we started the evening with a poster competition for students to highlight projects completed during their internships as guest arrived. The winners received a monetary prize, but all the participants did an excellent job!

The winners were

1. **Tom Crookston** and his John Deer experience
2. **Phil Homa** and his Walgreens DC experience
3. **Clair Kazmaier** and her Crown experience

We had inspired welcomes to the gathering by our SCMA president **Bryan Benedict** and by APICS Toledo President **Sheryl Holbrook**. Sheryl was also able to present our chapter with our 12th consecutive Gold Chapter Management Award (see photo), keeping us at the Platinum level for the 8th time!

After a round table formal networking opportunity and buffet dinner, **Christine Garramone** with Toyota North America presented on supply chain risks. We concluded with some additional award of Certificates of Professional Development to **Bryan Benedict**, **Andrew Benner**, and **Nicole Burger**.

Thank you for co-hosting a great event!
