

## President's Message

Congratulations on a recent exam success...congratulations to **Scott Ballard** for passing the Legacy BSCM exam. Way to go, Scott! Scott is one of our student members, and he is the President of the **UTAPICS** student chapter. He graduates this month, and is currently taking the review classes for **CPIM Part 2**. Good luck to Scott and to everyone else studying for certification exams. Best wishes!!

Welcome to our newest student members from Bowling Green State University....**46 students recently joined the APICS student chapter at BGSU**. We hope to see you soon at one of our chapter events!

Our 2018 Education Calendar is now finalized! **CPIM Part 1** and **CPIM Part 2** will both be offered twice in 2018, so you have your choice of full-day Saturdays sessions (9:00am-4:00pm) or weeknight evening sessions (6:00-9:00pm). Choose whichever one fits your schedule. And, we're excited once again to be offering the course for **CLTD (Certified in Logistics, Transportation and Distribution)**. The class starts Wednesday, January 17, 2018, 6:00-9:00pm, and runs for 15 weeks (thru April 25<sup>th</sup>). See the [CLTD flyer](#) for more information. ## The University of Toledo APICS Student Chapter

Our University of Toledo chapter has been quite active in terms of speakers, factory tours, and community involvement. On September 10<sup>th</sup>, we volunteered for the **ALS Walk** by helping the ALS staffers load trucks so they could get on to the next event. Sept 12<sup>th</sup>, we welcomed our first speaker of the year, **Michael McKenzie**. Michael is an experienced Materials and Logistics planner for Constellium. On September 26<sup>th</sup>, we welcomed our 2<sup>nd</sup> speaker, **Otto Steele** from Owens Corning. October 10<sup>th</sup>, we welcomed our third speaker **Frank Wszelaki**, an experienced energy CEO with expertise in energy distribution. October 10<sup>th</sup>, members from our chapter attended a factory tour at the **Chase Brass and Copper** plant in Montpelier, Ohio. Finally, on November 3<sup>rd</sup>, our chapter toured the **Walgreens Distribution Center** in Perrysburg, Ohio.

Our chapter plans to continue this pace by adding speakers for the Spring semester and another factory tour. Our vice president has also mentioned getting us a project for our chapter. As planned, I will be stepping down as president to give our vice president a chance to be president before he graduates in the Spring. I really enjoyed leading the UT chapter. Most likely, I will take on a different role after I step down. I did pass my BSCM exam with a score of 321 (**EDITOR'S NOTE: Congrats Scott!**), so we had at least one member get credit for passing an APICS exam.

*Best,*

*Scott Ballard*
