

President's Message

Happy New Year to One and All!! I hope everyone's holidays were wonderful!

Congratulations to **Joe Snyder**, who is the first chapter member to pass one of the new CPIM exams! Joe is Materials Manager for U.S. Coexcell in Maumee, and attended review classes for CPIM Part 1. He passed his CPIM Part 1 exam this week, and is looking forward to CPIM Part 2 classes in February. Great job, Joe!

We've got our annual joint meeting with **UTAPICS** coming up on January 24th. I will be doing the ever popular **Ice Cream Sundae** interactive workshop! This workshop compares job shop layouts to lean flow lines while participants assume various roles in the organization. Keep your eye out for flyers going out soon in your email!

Is APICS certification one of your New Year's resolutions for 2018? Then now's the time to get started!! APICS Toledo's certification review course for the **CLTD (Certified in Logistics, Transportation and Distribution)** certification begins Wednesday, January 17, 2018. Classes are from 6:00-9:00pm on Wednesday evenings, and the course runs for 15 weeks (thru April 25th). Click [here](#) for more information. Seats are still available, and you still have time to register, **but you must act now!!**

Or, if **CPIM (Certified in Production and Inventory Management)** certification is your goal, **CPIM Part 1** and **CPIM Part 2** will both be offered *twice* in 2018, so you have your choice of full-day Saturdays sessions (9:00am-4:00pm) or weeknight Thursday evening sessions (6:00-9:00pm). Choose whichever one fits your schedule.

If you're just starting your CPIM journey, then CPIM Part 1 is for you! Classes begin either Thursday, March 8, 2018, or Saturday, October 6, 2018. If you have finished CPIM Part 1 (or Legacy CPIM BSCM), then you're ready to move on to CPIM Part 2. Part 2 classes begin either Saturday, February 10, 2018, or Thursday, June 14, 2018. Click [here](#) for more information.

And, here a link to the complete [Education Calendar](#). If you have questions about any of our educational offerings, you can contact **Patrick Andriette**, VP Education, at education@apicstoledo.org, **Danielle Long**, CLTD instructor, at execvp@apicstoledo.org, or **Sheryl Holbrook**, CPIM and CSCP instructor, at president@apicstoledo.org.

APICS in the Business World

Happy New Year to all! We are very excited in the APICS Toledo chapter about our first offering of the CLTD instructor led program, we still have limited seats available so please sign up if interested. I am happy to answer any questions about the CLTD accreditation or the balance of the education calendar for 2018, please contact me at education@apicstoledo.org.

An interesting article was recently published in the APICS magazine, and can also be found on the APICS main page written by Managing Editor Elizabeth Rennie (click [here](#) to read). This article is a very good read for any professionals wondering if a professional certification is right for them, how it can be applied in the workplace through methodology implementation, and by changing the culture of how Supply Chain is viewed.

BGSU Supply Chain Management Association

Hello, my name is Andrew Benner, and I am the new Director of APICS for Spring '18. **BSGU SCMA** is transitioning roles and duties from the Fall Semester to the Spring Semester '18. Notably, we have a new president in **Dakota Brunsmann** and he is going to continue the success that Bryan was able to bring our chapter last semester:

President	Dakota Brunsmann
Vice President	Sarah Verhoff
Secretary	Katie Staub
Treasurer	Megan Welch
Director of APICS	Andrew Benner
Director of Community Service	David Koon
Director of Fundraising	Nate Labbe
Director of Social Events & Awards	Alec Ramsey
Past President	Bryan Benedict
Assistant Director of Marketing	Greg Wobser

We have a few vacant positions that we will likely fill in January, and we have the tentative agenda set forth for this semester with the following activities:

- Board Members meeting January 9th
- Kick off meeting on Wednesday January 17th
- Rescheduling of our Poppin George event that got rained out this fall
- Professional Development meeting on internship/job search advice: late January
- SCMI/SCMA joint meeting with ISM, Monday, February 5th
- Potential plant tours at Walgreens DC or Dana

Overall, the board members are excited for this semester and the new duties and opportunities presented to us. We hope to continue to uphold BGSU's SCMA status and further improve our organization these next few months!

Andrew Brenner, BGSU SCMA, Director of APICS
