

## President's Message

APICS Toledo welcome its newest members, **Linda Moore** and **Dennis Prater**. We hope to see you both at an upcoming PDM or plant tour! Dennis is enrolled in the CPIM-1 certification review class that starts March 8<sup>th</sup>. Good luck with your certification efforts!

Please join us on **Wednesday, February 21<sup>st</sup>**, for our annual joint **Professional Development Meeting (PDM) with ASQ**, the American Society for Quality. The venue is The Oliver House, and the after-dinner program is "Supplier Risk & Qualification in the Global Market", presented by **Bill Hays**, Director of Supplier Development at La-Z-Boy. He will be discussing supplier assessments and qualifications related to operating systems, social compliance, regulatory compliance, and geopolitical risk. To make a reservation, contact Zach Lozar, VP Programs, [programs@apicstoledo.org](mailto:programs@apicstoledo.org).

We're asking for your help with a quick two-question survey. Gartner, a leading IT and supply chain management (SCM) research and advisory firm serving clients worldwide, provides a widely publicized Ranking of University SCM programs, and this year Bowling Green State University is participating in the research. 40% of the Ranking is driven by an industry survey of business professionals who respond to two questions asking about their views on the top SCM programs. Please help BGSU with their research efforts by completing the survey. <http://surveys.gartner.com/s/SupplyChainUniversityRanking>

Thanks to **UTAPICS**, the APICS Student Chapter at The University of Toledo, for hosting our January PDM. We were joined by 17 UT students, 4 faculty members, and 9 professionals, and the presentation was "**Ice Cream Sundae Production**", a simulation that compared the benefits of a lean process flow over a traditional job shop layout. Thanks to everyone who joined us!

If one of your career goals is **CPIM** certification, it not too late to sign up for our current classes. If you're just starting your CPIM journey, then CPIM Part 1 is for you! Classes begin either **Thursday, March 8, 2018**, or Saturday, October 6, 2018. If you have finished CPIM Part 1 (or Legacy CPIM BSCM), then you're ready to move on to CPIM Part 2. Part 2 classes begin either Saturday, February 10, 2018, or Thursday, June 14, 2018. Click here [CPIM Flyer](#) for more information.

The CLTD program is officially underway for the Toledo chapter. I am happy to answer any questions about the CLTD accreditation or the balance of the education calendar for 2018, please contact me at [education@apicstoledo.org](mailto:education@apicstoledo.org).

Last spring APICS Toledo partnered with the Demand Driven Institute and brought a course for the CDDP certification to Toledo taught by Carol Ptak. We have had some conversations with the Demand Driven folks and are currently trying to gauge interest in the area if we were to do a similar class this summer. Please email for info, or if you are interested. To understand the concepts behind becoming a Demand Driven Enterprise visit: <https://www.demanddriveninstitute.com/ddmrp>

- Professional Development Meeting
  - Dana – Bryan Benedict (Former BGSU SCMA President)
  - Discussing technology and risk
  - Tuesday, February 27<sup>th</sup> at 6:00 PM in BA 104
- Spring Plant tours
  - Detroit Refinery (Marathon)
  - A Friday in April
  - 10-20 students
- Poppin' George Fundraiser
- Community Service
  - Adopt-a-highway (April)
- Ohio State Case Competition
- Mini-Golf
  - Potentially late March or April

On February 5<sup>th</sup>, SCMI/SCMA held their joint dinner with ISM to recognize BGSU Supply Chain Management students, network with professional members in SCMI Organizations, and for Aaron Keller of Keller Logistics Group to deliver a Keynote Speech on the rapid changes in the trucking industry. The event was held as a precursor to the BGSU Spring Career Expo that is held on Tuesday, February 6<sup>th</sup>. This event gave BGSU Supply Chain students great exposure to a variety of industries, and a great opportunity to connect and learn from Supply Chain professionals!

Our next board meeting is scheduled for next Tuesday, February 13. We will finalize details regarding the upcoming Professional Development meeting, and hopefully finalize plans for the Marathon Detroit Refinery tour in April.
