

President's Message

Congratulations to APICS Toledo's newest CPIMs... **Zandra Napierala** and **Joe Snyder**. Joe is Materials Manager for U.S. Coexcell in Maumee, and Zandra is a Demand Planner for Owens Illinois in Perrysburg. Zandra and Joe both attended the Saturday review classes that concluded May 5th, and by the end of the month, they had both passed the CPIM Part 2 exam, which was the final hurdle to certification. Welcome to the ranks of APICS CPIMs!!! Well done, Joe and Zandra!!!

And I'm excited to report some other exam successes, as well. **Heather Everitt**, **Dakaque Lewis**, **Alex Petrie**, and **Dennis Prater** all recently passed the CPIM Part 1 exam, and will soon be starting their preparation for the CPIM Part 2 exam. Congratulations to all, and good luck on your certification efforts!

Are **YOU** ready for CPIM Part 2?? The **start date for the June class has been moved back to June 21st**, so you still have time to register. But seats are filling up fast, so act now to take advantage of this opportunity to complete your CPIM certification in an instructor-led, classroom setting. See the [CPIM flyer](#) on our website for more information.

Please join us for our Annual Meeting on Tuesday, June 19th, at The Blarney, in Downtown Toledo. Networking and check-in begin at 5:30pm, and dinner will be served at 6:00pm. **We will be ordering from the menu, and there is no cost for APICS Toledo members.** The chapter's annual reports will be presented to chapter members, and we will be voting on some proposed changes to our bylaws. We will also be electing our Board of Directors for the 2018/2019 chapter year. There are several positions open, so if you're interested in serving the chapter (and working with a great group of individuals!!), feel free to contact either myself at president@apicstoledo.org or Jennifer Bell, VP Membership, membership@apicstoledo.org.

And, last but not least, APICS Toledo welcomes its newest professional members, **Gozie Isi** and **Jill Messer**. We hope to see you soon at one of our upcoming PDMs, plant tours, or certification classes!

The University of Toledo APICS Student Chapter

No UTAPICS events are being held during the summer while our students are working and enjoying their time off.

Best Regards,

Monem Alfadhel
President, UTAPICS

BGSU Supply Chain Management Association

As most of BGSU's SCMA members are off on internships and co-ops for the summer, we do not have any events planned for the next couple of months. However, the end of May brings the deadline for nominations for APICS service awards and we are proud to nominate **Greg Wobser** for the **APICS Student Voluntary Service Award** and **Dr. Bill Sawaya** for the **APICS Student Chapter Mentor Award**.

Greg has been very active with our SCMA chapter as the Director of Marketing for the 2017-2018 academic year and as the founding President of Young Professionals in Business and Aviation. He even did a great PDM on aviation logistics!

Dr. Sawaya has been working with our student GM/Wayne State case competition teams, helps with our BGSU SCMA group, and volunteers for recruiting and student events. He has a number of innovative teaching research publications and an open door policy that keeps students engaged and committed to SCM!
