

December Plant Tour

PO Box 2823, Toledo, OH 43606

Every month, APICS Toledo Chapter hosts a Supply Chain Event for members, guests, and students. Events consist of Professional Development Meetings (PDM), Plant Tours, Social, and Board Meetings. This is a great way to enhance your supply chain knowledge and earn certification maintenance points.

First Solar

First Solar has developed, financed, engineered, constructed and currently operates many of the world's largest grid-connected PV power plants. Their experience across the solar value chain reduces risk while delivering more reliable, dependable and cost-effective solutions for their customers.

First Solar knows that clean affordable solar electricity is an essential part of the worldwide energy mix. That's why they lead the way with the lowest carbon footprint, lowest water usage and fastest energy payback of any PV technology.

Join us on a tour of their only US-based manufacturing facility in Perrysburg, OH!
