

President's Message

First off, congratulations to **Jason Brown**, APICS Toledo's newest CPIM! Jason is Physical Distribution Manager at Johns Manville in Defiance, Ohio, and is a "graduate" of APICS Toledo Chapter's certification review classes. Well done, Jason, and welcome to the ranks of APICS CPIMs!

And, we are excited to welcome APICS Toledo Chapter's newest Professional members, **Owais Ahmed** and **Candy Little**. Welcome to APICS Toledo! We hope to see you at an upcoming PDM, plant tour, or certification review class!

John Strothers, VP Programs, is busy finalizing the calendar of events for 2019. First up, **on January 22nd, join us for our annual joint PDM with the UTAPICS student chapter**. The topic of the after-dinner program is lean manufacturing, and the event is designed as an interactive/participative game, facilitated by **Bruce Barth**, Master Black Belt. This is going to be an informative, fun event. You won't want to miss it! Other upcoming events include: a joint meeting with ASQ on February 12th; a joint meeting with ISM on March 13th; and a tour of the Toledo Port Authority on April 10th. Watch for upcoming details!

Last fall, **APICS Toledo Chapter offered two CPIM Scholarships to student members at Bowling Green State University and the University of Toledo**. These scholarships fully underwrite the expenses for the students to attend the chapter CPIM classes and to take the CPIM exams at no charge. This year's scholarships were awarded to **Jinesh Dugar** and **Cory Tressler** (pictured below), both from the University of Toledo. Jinesh and Cory, along with other class members, have finished classes for CPIM Part 1, and will be continuing with CPIM Part 2 beginning February 9th.

Our latest event – tour at First Solar on 12/11 went very well. We had 20 members on the tour. It was fun to see a large manufacturing operation that is mostly automated. The presenters did an awesome job explaining the operation and talking through their business model and market challenges.

Our next event is a Joint PDM with the UT student chapter on Tuesday, 1/22. We'll be in room 2582 of the student union. The event starts at 5:30pm (sign-in) with a Tex/Mex buffet at 6pm. The topic is 'Sugar Shazam!' a designed experiment lead by master black belt Bruce Barth. This is a participative experiment – the audience will run the experiment.
